

# **REGIONAL STRATEGIES – NEW OPPORTUNITIES FOR FOREIGN INVESTMENTS**

**Mr. Gennady F. ALEXEEV  
First Deputy Chairman  
Government of the  
Sakha Republic (Yakutia)**

# SOURCES OF MINERAL RAW MATERIALS

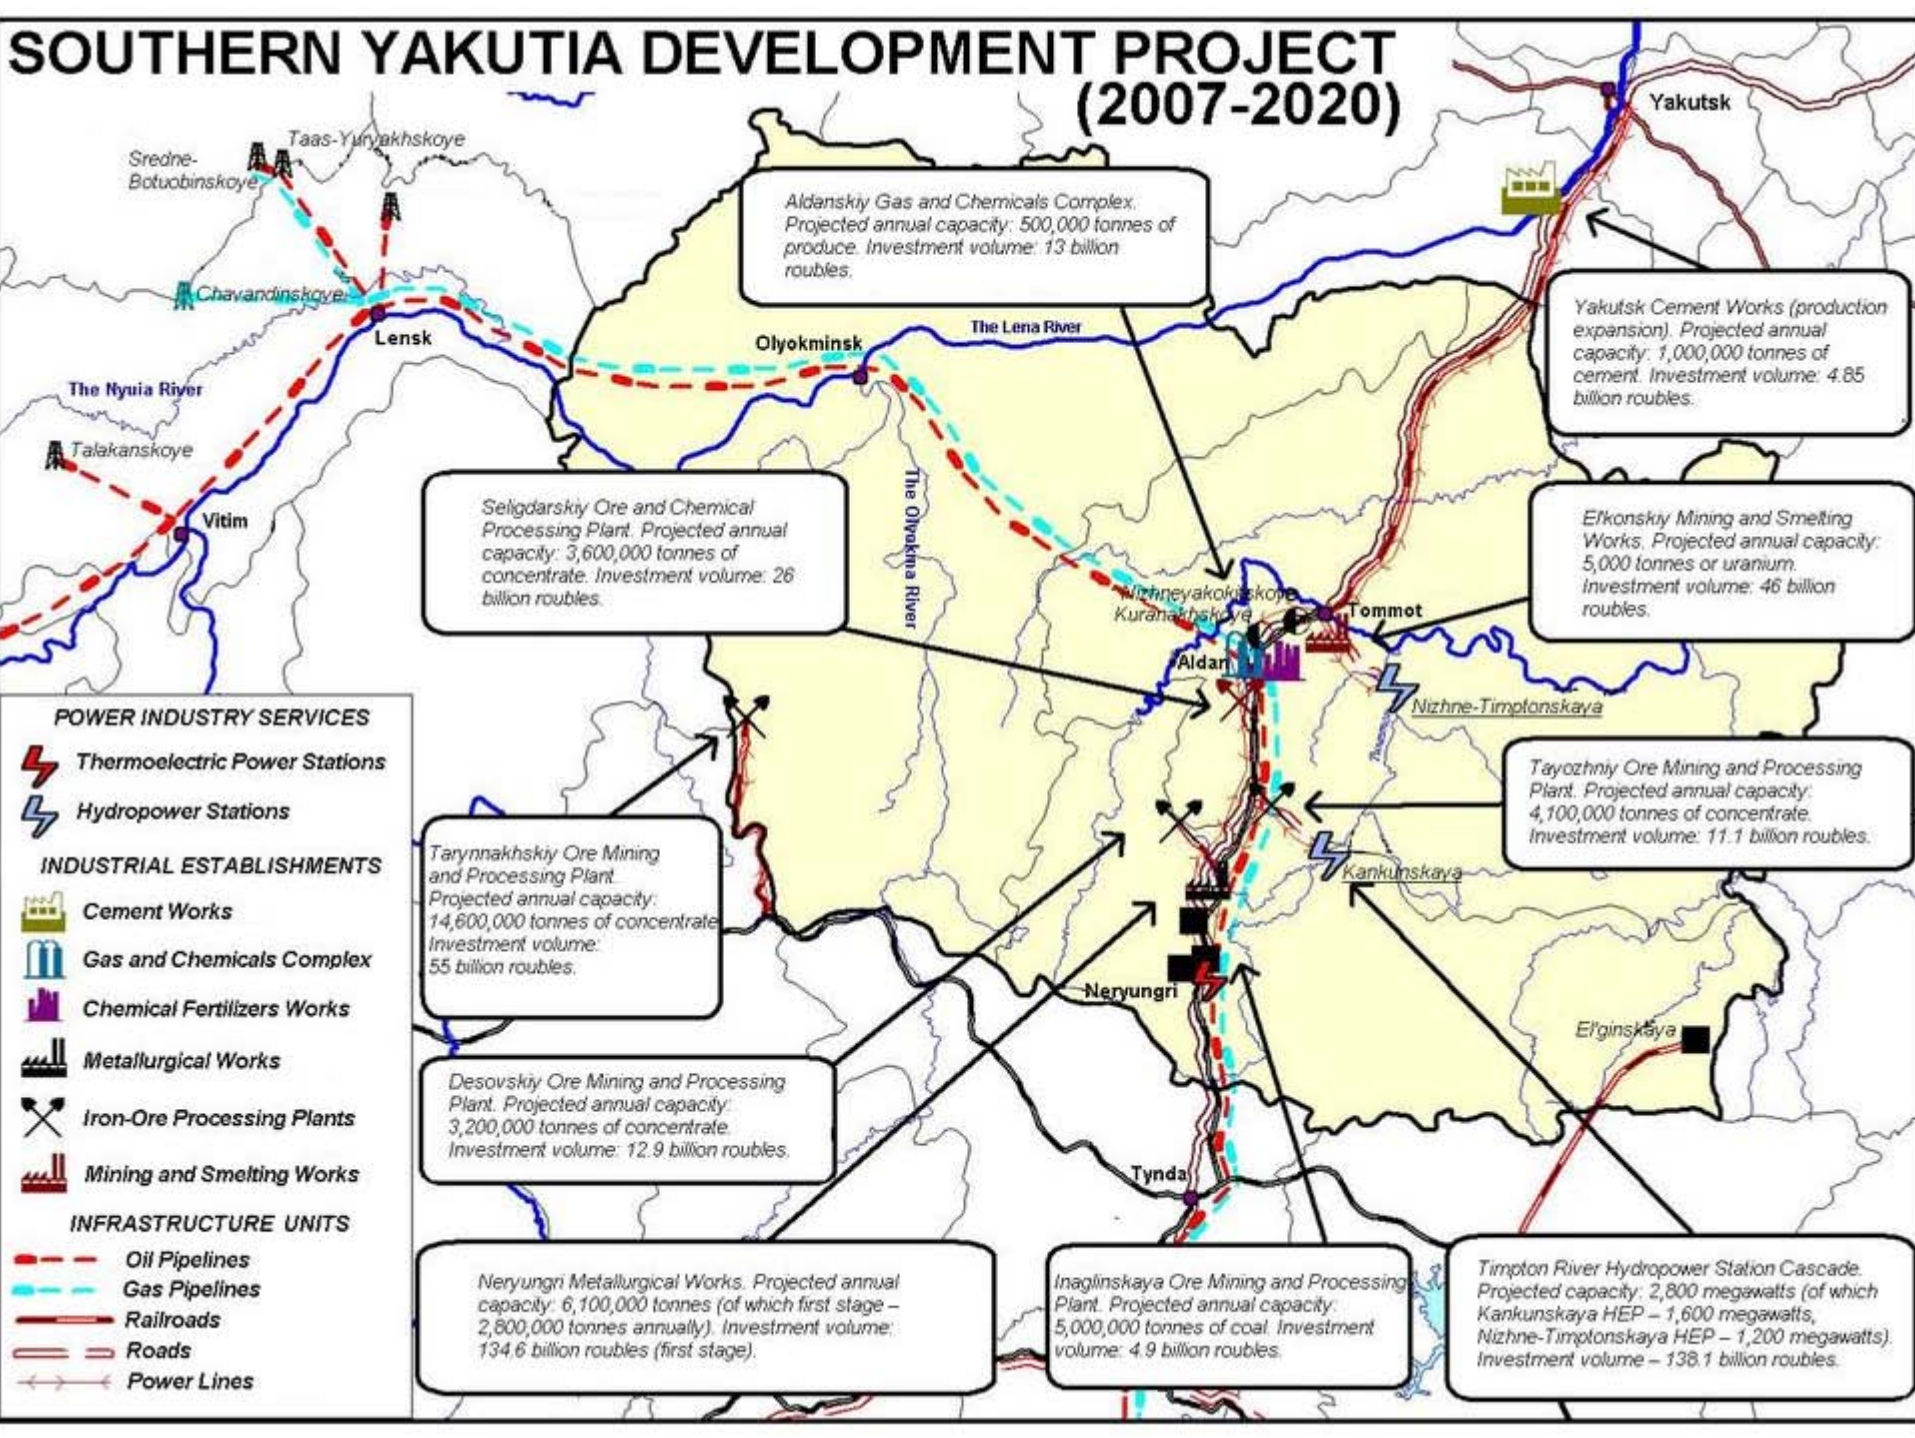

# OUTLINE OF ACTING AND PROJECTED RAILROADS, AUTOMOBILE ROADS, OIL PIPELINES AND UNIFICATION OF ISOLATED POWER DISTRICTS OF THE SAKHA REPUBLIC (YAKUTIA) WITH UNITED POWER GRIDS OF SIBERIA AND THE EAST

# NATURAL RESOURCE POTENTIAL OF SOUTHERN YAKUTIA

# SOUTHERN YAKUTIA DEVELOPMENT PROJECT (2007-2020)

**Aldanskiy Gas and Chemicals Complex.**  
 Projected annual capacity: 500,000 tonnes of produce. Investment volume: 13 billion roubles.

**Yakutsk Cement Works (production expansion).** Projected annual capacity: 1,000,000 tonnes of cement. Investment volume: 4.85 billion roubles.

**Seligdarskiy Ore and Chemical Processing Plant.** Projected annual capacity: 3,600,000 tonnes of concentrate. Investment volume: 26 billion roubles.

**Elkonskiy Mining and Smelting Works.** Projected annual capacity: 5,000 tonnes of uranium. Investment volume: 46 billion roubles.

**Tarynnakhskiy Ore Mining and Processing Plant.** Projected annual capacity: 14,600,000 tonnes of concentrate. Investment volume: 55 billion roubles.

**Tayozhniy Ore Mining and Processing Plant.** Projected annual capacity: 4,100,000 tonnes of concentrate. Investment volume: 11.1 billion roubles.

**Desovskiy Ore Mining and Processing Plant.** Projected annual capacity: 3,200,000 tonnes of concentrate. Investment volume: 12.9 billion roubles.

**Neryungri Metallurgical Works.** Projected annual capacity: 6,100,000 tonnes (of which first stage – 2,800,000 tonnes annually). Investment volume: 134.6 billion roubles (first stage).

**Inaglinskaya Ore Mining and Processing Plant.** Projected annual capacity: 5,000,000 tonnes of coal. Investment volume: 4.9 billion roubles.

**Timpton River Hydropower Station Cascade.** Projected capacity: 2,800 megawatts (of which Kankunskaya HEP – 1,600 megawatts, Nizhne-Timptonkaya HEP – 1,200 megawatts). Investment volume – 138.1 billion roubles.

- POWER INDUSTRY SERVICES**
- Thermoelectric Power Stations
  - Hydropower Stations
- INDUSTRIAL ESTABLISHMENTS**
- Cement Works
  - Gas and Chemicals Complex
  - Chemical Fertilizers Works
  - Metallurgical Works
  - Iron-Ore Processing Plants
  - Mining and Smelting Works
- INFRASTRUCTURE UNITS**
- Oil Pipelines
  - Gas Pipelines
  - Railroads
  - Roads
  - Power Lines
