IV. Participants of the Forum:

- Representatives of development partners and private sector;
- Representatives of international and regional companies;
- Heads of international financial institutions and commerce banks;
- Heads and members of business associations and organizations;
- Entrepreneurs and foreign investors;
- Representatives of mass media.

V. Speakers:

Representatives of private sector will participate in the discussions.

The Local Executive Body of the State Authority in Dushanbe city and "Toj Sarmoya" company will propose investment opportunities in the real sector of economy with focus on the development of innovative entrepreneurship.

Representatives of the private sector will present a number of business projects for potential investors. In addition, they will present their vision on how to improve the investment climate in Tajikistan. Representatives of the public sector will provide information about the policy and plans of the Government of Tajikistan aimed at improving conditions for the private sector.

The moderator, in his turn, will facilitate discussions to cover the most important issues and topics for the Forum participants. The Question & Answer session should not exceed 15 minutes.

Bilateral meetings of entrepreneurs and investors will be held during B2B format. The forum will focus on meetings and direct negotiations between investors and entrepreneurs.

The main attention during B2B meetings will be paid to strengthening business relationships between companies as well as potential investors and suppliers. Participants will have opportunity to get familiar with opportunities of cooperation, conditions and expectations of investors related to proposed projects.

Informal meetings. A Formal reception, which is planned for the evening will provide additional opportunity for communication and networking and making contacts.

VI. Information support

Based on the previous experience, a special attention will be given to informational preparation of the event.

A preliminary program of the Forum will be submitted to participants in advance.
